Description	
The classic peat-and-perlite growing medium made exclusively with superior ingredients and stringent quality-control specifications. Includes selected quality peat moss, coarse grade perlite, wetting agent and low fertilizer starter charge. Peat moss is free of any plant harmful diseases, weeds and impurities. Made in the EU.	
Instruction for use	
Mix well, aerate and water before using.	
Safety information	
This product has no harmful effect on people, animals and environment when used as a growing media for plants. Inhalation: If inhaled, provide fresh air. Eye contact: Rinse eyes with water. Skin contact: Keep open wounds covered and clean as suggested by any good hygiene program. Caution: In case of fire, burning may continue inside bags or piles after surface fire is out. Break bags or separate pile to assure that the fire is extinguished.
